Office of Legislative Counsel

Monday - 21 March 1955

- - - -

1. Chairman Richards, of the House Foreign Affairs Committee, was forced to cancel his luncheon engagement with the DCI because of press of Floor debate today.

25X1A 2. [] of ORR, sent to me for comment a proposed draft of a reply from Director Stassen of FOA to Chairman McClellan of the Senate Committee on Government Operations in reply to the Chairman's request for considerable information regarding East-West trade. In particular the Chairman was interested in decontrolled items under the provisions of the Battle Act arising out of international conferences last summer, together with reports on violations. In denying access to much of this material,
